

Fitting Instructions for
Rear Door Ladder FRDISCO21
Suitable for:
Land Rover Discovery

- 1.) Place ladder into position on rear door. Press ladder down to put tension between top and bottom mounting points.
- 2.) Mark hole positions on lower bracket.
- 3.) Remove ladder, punch and drill holes and insert clinch nuts.
- 4.) Remove backing strip from adhesive tape and re-install ladder.

- 5.) Install M6 bolts on lower mounting and tighten in position
